Tiffany has been a licensed cosmetologist since 1989. Along with being a hairstylist, she's a trained color specialist using Goldwell hair color products. Services include: Highlights, lowlights, root touch-ups, semi, demi, and permanent color to blend silver, enhance natural hair color, or completely change your look.

In need of color correction? No problem! The bigger the challenge, the more committed Tiffany is to maintaining the health of the hair and obtaining the color you desire. Not sure which service you want to try? Call and schedule your complimentary consultation and allow Tiffany to customize the right combination of color services to meet your needs.

Along with her vast knowledge of color chemistry, Tiffany is also trained in men's and women's haircutting techniques using a variety of implements: regular, texture and razor shears.
